Coaching Guide #11 - Marriage & Ministry

Summary

Church planting can be brutal on marriage and family. Getting it right requires high levels of intentionality. You might be tempted to be intentional about building your church but not about loving your wife. According to the Scriptures though, it's JESUS' JOB to build the church and YOUR JOB to love your wife.

Biblical Insights

- Matthew 16:18
- Ephesians 5:25

Reflection Questions

How are you protecting your home, marriage and family time?

Are you taking a weekly sabbath and keeping it holy?

When's the last time you talked to you spouse about her roles in the church?

Are the expectations of her in check? (Consider your expectations of her, the church's expectations or her and her expectations of herself.)

What is her support system (inside or outside the church)?

What have you celebrated recently with your family?
